25X1 MEMORANDUM FOR: [REDACTED]
Director, NCPD

25X1 FROM: [REDACTED]
Director, HTO

25X1 SUBJECT: Narcotics [REDACTED]
25X1 [REDACTED]

We have had a look at the paper on "Worldwide Narcotics: the Role of Intelligence" which [REDACTED] brought over. I have the following comments. 25X1

25X1 1. There is an error as regards DEA responsibilities under E.O. 12036. [REDACTED] in my office can help [REDACTED] make a correction. 25X1

2. I think the quality and usefulness of the paper would be substantially improved if it were to include more specific recommendations on actions to be taken as follows:

a. revision of DCID 1/2 and assignment of collection responsibilities by the appropriate DCI tasking mechanisms;

b. establishment of a White House steering group and appointment of a NIO for narcotics as a member thereof;

c. an approach to the dissemination problem, which is a very real problem, through the assignment on a trial basis of one or two analysts to DEA for the specific purpose of extracting from DEA technical raw intelligence the information needed to support a broad strategic program; and

d. a NFIC discussion following which the DCI could take the specific actions indicated above. [REDACTED] 25X1
